Avalon – Our artistic glass desk awards are made with beautifully striking artistic glass colors. Reflecting wispy features run organically throughout the glass with a black accent. Each hand crafted work of art incorporates art glass that is artistically formed to shape. Deep etched copy is color filled to provide contrast with the flow of the glass. Choose from three vertical sizes and two horizontal sizes. Available in blue, red and white artistic glass colors. One colorfill included.

9 x 6	\$97.20	81.00	74.00	70.40	68.30	(C)

Personalizations FREE
 One colorfill is included, PMS colors available.
 Additional glass colorfill (per color) \$7.00 (G)
 Minimum order charge \$70.00 (G)

Avalon – Look to this brilliant art glass award to dazzle your recipient with its curved shape and towering appeal. The subtle hue of the art glass contrasts with the richness of the black glass to create a powerful work of art. Available in Blue, Bronze, Green, Plum and Red art glass with your choice of one colorfill for the personalization. An etched zinc plate is secured to the base to add a finishing touch of sophistication to this striking award.

ARTWORK & DESIGN

If production-ready artwork is not supplied, artwork charges begin at \$50.00 (G). Examples of non production-ready art include placed images. See guidelines for sending electronic artwork on previous page for more information. When individual typeset personalizations are furnished, the personalizations charge will still apply. The factory reserves the right to determine if all artwork is acceptable.

PRODUCTION TIME (Standard)

7-10 business days is our preferred production time for most catalog items and quantities listed. Additional time may be required based on specifications of individual orders. Contact factory for detailed scheduling. For orders requiring less than our standard production time, a rush charge may apply depending on our production capacity. Contact factory for all applicable rush charges. We assume no responsibility for the scheduling and/or delays caused by freight carriers.
